

### Tour Overview

If you are a lover of good art and you are on vacation in Cuba with your family and/or friends, **Ceramikarte** is a tour you will enjoy to the fullest as you will develop your artistic and creative skills while you talk, learn and laugh.

In a natural and relaxed environment within the **Santacana Studio**, you will be able to paint a ceramic piece. You will have at your disposal all the necessary resources to learn and experience for yourself the different glazing techniques. The result of this interactive space will be the creation of your own piece of art.

### DAY 1

#### HAVANA

**09:00AM.** This morning you'll be picked up in a **vintage car**, and transferred to **Santacana's Workshop & Studio** located in the western part of Havana, Playa Municipality. You will experience the unique opportunity of creating your own piece of ceramic guided by the **famous Cuban artist Beatriz Santacana** while enjoying the area and learning more about the artist's work.

This session begins with a practical introduction by the artist on glazing techniques. Then you will be able to paint your piece for a period of 3 hours, with the support and supervision of the work team. The Studio will then fire the artwork in their kilns, and your piece of art will be ready to take home a few days later.
